

Namibia2Germany

Your Pathway to Dual Vocational Education ('Ausbildung') in Germany

About Africademics

Africademics is a non-profit educational organization and community for youth in and from Africa. The organization was founded by Lena Gronbach in 2019 and is headquartered in Germany. Using digital tools and platforms, Africademics reaches over 40,000 followers across the continent on a daily basis.

In 2022, Africademics was awarded the 'Deutscher Engagementpreis', Germany's most prestigious award for social initiatives.

Through the Namibia2Germany programme, Africademics offers comprehensive support for German-speaking Namibians who wish to complete a 3-year dual vocational training programme ('Ausbildung') in Germany.

What is Namibia2Germany?

The Namibia2Germany programme aims to promote the German dual vocational training system as an attractive educational opportunity for young German-speaking Namibians.

During the 1-year coaching and mentoring programme, starting in July 2024, participants receive personal career guidance, interact with our German partner companies who offer 'Ausbildung' programmes in various industries, and receive assistance and guidance throughout the application and preparation process for their 'Ausbildung'. The programme is offered virtually, with 1-2 optional in-person workshops in Windhoek.

Participants who have successfully applied for their 'Ausbildung' will receive support with their visa application, practical and cultural training prior to their departure to Germany, and additional mentoring after the start of their 'Ausbildung'.

Application Requirements

Applicants should meet the following criteria:

- German language proficiency (B1 or higher)
- Minimum age: 18 years at the time of application
- Completed grade 11 (or higher)
- Stable and regular internet access
- Resident and/or citizen of Namibia

Applications for the 2024/25 programme cycle will be open from **1 February to 30 April 2024!**
